### **OneVision continues its Successful Global Expansion by opening OneVision Software (Asia Pacific) Pte Ltd in Singapore**

*OneVision Software AG establishes its first subsidiary in the Asia Pacific region. The wholly owned sales and service company shall commence its operation effective October 1st, 2009.*

**Regensburg, Germany – 17. September 2009** – OneVision Software AG, one of the leading suppliers of innovative software solutions to simplify print and media production, continues its successful worldwide growth strategy with the opening of its first subsidiary in the Asia Pacific region.

OneVision software solutions are already well established in the region's publishing industry. Leading publishers such as Fairfax (AU, NZ), Philippine Daily Inquirer, Sin Chew Media, Star Publications (M) Bhd, Singapore Press Holdings or Bangkok Post do already rely on OneVision software solutions in their daily production.

"Establishing our new subsidiary in Singapore is a logical step in OneVision's worldwide growth strategy. It underlines our commitment to the region and enables us to provide best possible service and support to our customers in the Asia Pacific region", states Hussein Khalil, CEO of OneVision Software AG.

OneVision has appointed Peter Loh, formerly Sales and Marketing Director of Atex in Singapore, as Managing Director for its Asia Pacific subsidiary. Working within the industry for more than 15 years, Peter Loh has extensive knowledge and experience regarding the specific needs of printers and publishers throughout the Asia Pacific region.

OneVision continues its Successful Global Expansion by opening OneVision Software (Asia Pacific) Pte Ltd in Singapore

The wholly owned subsidiary commences its operation effective October 1st, 2009, and will be based in the German Centre in Singapore.

For further information, please contact **PressOffice@OneVision.com**.

### **About OneVision**

OneVision Software AG develops and implements precision software solutions and concepts aimed at optimizing workflows in print & media production and online publishing – assisting its clients in improving speed and quality of their workflows, saving time and expenses.

Corporate headquarters is located in Regensburg, Germany. OneVision Software AG also has subsidiaries in Jersey City (New Jersey, USA), Milton Keynes (United Kingdom), Levallois Perret (France), São Paulo (Brazil) and Singapore.

One Vision's customers include leading newspaper & magazine publishers, commercial and digital printers, prepress companies, advertising agencies, and industrial enterprises. Founded in 1994, OneVision today is one of the world's leading suppliers of software technologies for print and media production. One Vision's quality management system is certified based on ISO 9001:2000 standards.
